

Sanket Adak

Android Developer

+91 9832396309

adaksanket11@gmail.com

Professional Summary

Motivated, detail-oriented **Android Developer** with a solid foundation in mobile app development, backend integration, and modern Android technologies. Experienced in building scalable, user-friendly apps using **Java, Kotlin, and Jetpack Compose**. Focused on efficient, secure, and high-performance solutions with clean UI/UX practices, Firebase integration, database management, and app optimization.

Education

Haldia Institute Of Technology	2023 – 2027
Bachelor of Technology (B.Tech) in Computer Science & Engineering (Cyber Security)	
Higher Secondary	2023
Sekendarpur Rai.K.P.Pal Bahadur High School	
Secondary	2021
Sekendarpur Rai.K.P.Pal Bahadur High School	

Technical Skills

Programming Languages	Java (Proficient), Kotlin, Python, C
Android Development	Jetpack Compose, Android SDK, UI Design, Activity Lifecycle, REST API Integration
Backend	Firebase
Database	MySQL
Tools & Platforms	Android Studio, Git, GitHub, VS Code
Core Concepts	Object-Oriented Programming, Problem Solving, Debugging, App Optimization, Clean Architecture

Projects

Placement Preparation Agent Platform

- Developed an AI-powered placement preparation platform focused on coding practice, interview preparation.
- Implemented structured learning workflows and interactive coding features to improve user engagement and learning efficiency.
- Integrated backend services and database management for storing user progress and performance analytics.
- Focused on responsive UI design and smooth user experience using modern development practices.

Android Firebase Authentication App

- Built a secure Android authentication system using Firebase Authentication with login and registration functionality.
- Designed responsive user interfaces with Jetpack Compose for improved user experience and maintainable code structure.
- Implemented real-time validation, secure authentication flow, and efficient navigation handling.

Strengths

- Strong problem-solving and analytical thinking abilities

- Quick adaptability to new technologies and frameworks
- Effective team collaboration and communication skills
- Passion for continuous learning and software innovation

Certifications

- Android Development Fundamentals(UDEMY)
- Programming in Java(NPTEL)
