

ADITYA KUMAR DHARA

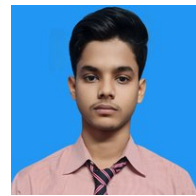

B.Tech. - Computer Science & Engineering (Cyber Security)

Ph: +91-6296154954

Email: adityadhara69354@gmail.com

Moyna, West Bengal, India - 721642

LinkedIn: <https://www.linkedin.com/in/aditya-kumar-dhara>

BRIEF SUMMARY

Motivated third-year Computer Science and Engineering with specialization of Cyber Security student, with a strong foundation in programming, data structures, and Networking. Skilled in problem-solving, teamwork, and applying theoretical knowledge to practical projects. Eager to learn new technologies and contribute effectively in internships and entry-level roles.

KEY EXPERTISE

C Java Python DSA DBMS MS Office SQL Windows 10 Kali Linux

EDUCATION

Haldia Institute Of Technology

2023 - 2027

B.Tech. - Computer Science & Engineering (Cyber Security) | CGPA: 8.48 / 10

Deoly Adarsha Vidyapith, Moyna

2023

12th | WBCHSE | Percentage: 86 / 100

Deoly Adarsha Vidyapith, Moyna

2021

10th | WBBSE | Percentage: 95 / 100

AWARDS AND SCHOLARSHIPS

- Swami Vivekananda Merit Cum Means Scholarship

SEMINARS / TRAININGS / WORKSHOPS

ExploitX CTF & Bootcamp` Institute Name: Haldia Institute Of Technology

05 May, 2025 - 07 May, 2025

Key Skills: Basics of linux , Computer Networking , Linux commands , Linux tools

It's a three days workshop organised by ISTE HIT SC . An interesting bootcamp which provide me all the basic knowledge of linux commands , tools and how to use it also . For which purpose each and every tool we have to use all these i have learned. Computer Networking that's the most important topic for all CSE students that basic fundamentals i have been learned.

Emerging Trends in AI and CyberSecurity

10 Apr, 2025 - 11 Apr, 2025

Institute Name: Haldia Institute Of Technology

Key Skills: Fundamentals of AI Fundamentals of Cyber Security

This certificate recognizes participation in a two-day National Seminar on Emerging Trends in AI and Cyber Security, held from 10th–11th April 2025 at Haldia Institute of Technology. The seminar provided insights into recent advancements, challenges, and applications of artificial intelligence and cyber security, enhancing technical knowledge and awareness of current industry trends.

HIT-A-THON

26 Aug, 2024 - 16 Sep, 2024

Institute Name: Haldia Institute Of Technology

Key Skills: PPT Presentation of my thought

it's a about 20 days workshop organised by Taruguardians from Halida Institute of Technology. Basically it's a active efforts of the society to expolere myself for edxplanation of my though ton basis of any topic or real world project .

Bit N Bytes

02 Aug, 2024 - 04 Aug, 2024

Institute Name: Haldia Institute Of Technology

Key Skills: Coding challenges , problem Solving

It's a three days coding competition workshop which is organised by ISTE HIT SC. In that event i explore many of hands on experience and easy to hard challenges that i have tried to overcome the with the guidance of my respective teachers and seniors .

FIX-A-ROBO

12 Feb, 2024 - 19 Feb, 2024

Institute Name: Haldia Institute Of Technology

Key Skills: Coding Arduino UNO Bluetooth connectivity

It's a 7 days Robotics making workshop organised by IEEE HIT SB from Haldia Institute of Technology . Here Basically how a bluetooth master and slave device are connected to each other that i have learned , basics of ardino UNO and how programming works into the ardino UNO that procedure i have learned.
